Subject: Pinehope Plantation - Henry Brown Site

Travis,

Good afternoon and happy new year! Hope this inquiry finds you doing well. I just wanted to ask a quick question. Who should I contact in the Charleston District regarding the Pinehope Plantation (Henry Brown) site? We conducted an inspection last year and I am preparing a letter to Mr. Brown that will outline the injunctive relief needed to bring the site into compliance. Before finalizing the letter and moving through EPA management I wanted to discuss with the Corps what we found and what we think would be a remedy. Please let me know who I should contact along with their contact information.

Thank you,

Christopher Parker
